

*Nakuletea salamu za
heri kwa Krismasi,
na amani daima.*

*That's Kiswahili for...
I send you happy greetings for
Christmas, and peace always.*

It's the season for **gratitude** and **giving**.

fws sends a massive thanks to you, for being special to the person who sent you this card!

On your behalf, this excellent person has donated to www.foodwatershelter.org.au.

Not only have they put a smile on your face (we hope!) this Christmas...they've also helped us put a smile on the faces of all the mamas and kids who will spend their first Christmas in 2009 in their new home: **Kesho Leo children's village**.

Food. Water. Shelter. Such simple things to be grateful for, eh? With support like yours, **fws** will continue to provide these basic human needs - plus much, much more - to Kesho Leo's mamas and kids in 2010.

So thank you, and from the entire **fws** team, *Krismasi njema* (Happy Christmas!)
